Our Story

Founded in 2012, Merkan Stone began with a simple mission: to bring the finest natural stones from Türkiye to the world. Over the years, we have grown into a trusted supplier of high-quality marble, granite, quartz, travertine, onyx, limestone, porcelain, ceramic, and mosaics. Our passion lies in transforming nature's raw beauty into materials that inspire architects, designers, and builders across the globe.

Whether in block, slab, or custom-cut form, every product we deliver reflects our commitment to craftsmanship, precision, and sustainability. From large-scale commercial projects to bespoke residential designs, our stones are carefully sourced and crafted to meet the unique needs of each client. At Merkan Stone, we don't just supply stone; we offer solutions that bring creative visions to life and create lasting value.

Modern innovation meets nature's elegance in every quartz surface we craft.

At Merkan Stone, we provide the finest quartz, blending durability with unmatched beauty. Our quartz surfaces are designed to elevate spaces with their sleek, versatile aesthetics, perfect for both residential and commercial projects.

Known for its resistance and low maintenance, quartz offers a balance of elegance and practicality. With a commitment to quality and sustainability, Merkan Stone ensures that every piece of quartz meets the highest standards for your most ambitious designs.
